### **America Over the Water: A Musical Journey with Alan Lomax**

The result is a finely woven tapestry of one woman's journey, both emotional and musical, and her discovery of a world of beauty and dignity, as well as deprivation and prejudice, amongst the folk musicians across the water in America.

### **America Over the Water - Shirley Collins - Google Books**

America Over The Water recounts this journey, intercutting and complementing the American narrative with an autobiographical account of growing up in Hastings during and after the war, and of her first meeting with Alan Lomax in London.
