## american individualism how a pdf

Individualism is the moral stance, political philosophy, ideology, or social outlook that emphasizes the moral worth of the individual. Individualists promote the exercise of one's goals and desires and so value independence and self-reliance and advocate that interests of the individual should achieve precedence over the state or a social ...

## Individualism - Wikipedia

In the social sciences, methodological individualism is the principle that subjective individual motivation explains social phenomena, rather than class or group dynamics which are (according to proponents of individualistic principles) illusory or artificial and therefore cannot truly explain market or social phenomena.
