PDF | [Abstract] The discussion of the American Civil War as a bourgeois revolution, reopened by John Ashworth's recent work, needs to be based on a more explicit conceptualisation of what the ...

### The American Civil War Considered as a Bourgeois Revolution

The American Revolution not only created the American political nation but molded permanent characteristics of the culture that would develop within it. The Revolution is an event, consequently, whose meaning cannot be confined to the past. Whether we recognize it or not, the sense we make of the history of our national origins helps to define for us, as it has for generations before us, the ...
