Adventure Therapy & Wilderness/Nature Therapy

An adventure is an exciting experience that is typically a bold, sometimes risky, undertaking. Adventures may be activities with some potential for physical danger such as traveling, exploring, skydiving, mountain climbing, scuba diving, river rafting or participating in extreme sports.

Adventure - Wikipedia

Adventure therapy, as a distinct and separate form of psychotherapy, has become prominent since the 1960s. Influences from a variety of learning and psychological theories have contributed to the complex theoretical combination within adventure therapy.
